

Sinclair
Broadcasting's
decision to compel
their stations to
air a documentary
containing false
statements about a
specific
presidential
campaign candidate
days before the
election is a clear
example of
Sinclair's failure
to serve the public
interest.

Please do not renew
Sinclair's license.
This will send an
unequivocal message
that truth matters
more than money.
Failure to reject
Sinclair's license
renewal application
will also send a
message: that money
is more important
than truth in
America. Please do
the right thing.
